

# One hour profit/business coaching session by a professional business coach, Joe Peoples.

Whether his clients desire more successful businesses, flexibility in their schedules, better work-life balance, or all of the above, Joe works side by side with them to embolden his clients to build the businesses and lives they crave. Throughout his 20 years in the field of Real Estate Sales and Management, he has been on both ends of the business, winning and losing. As both a Certified Professional Co-Active Coach (CPOCC) and a Certified Profit First Professional Coach (CPFFPC), he combines Real Estate Industry expertise with a holistic performance development coaching approach. People that work with Joe succeed, which is one of his greatest joys. He is proud to be a difference maker for his agents, clients, and peers. Joe is with Reinhart Realtors.
