

## Show Your Pride and Help Homeless LGBTQ+ Youth! Event Sponsorship Opportunities

### Home Sweet Home: A Night of Fun and Friends to help end LGBTQ+ Homelessness - February 13th, 2020 @ Greyline

LGBTQ+ youth make up 40% of all homeless youth, meaning thousands of LGBTQ+ teens are living on the streets. Despite the progress which has been made in recent years in the area of equality, we know there is much more to be done. Bullying, family rejection, and homelessness are still real threats to the health and well-being of LGBTQ+ young people right here in Washtenaw County.

One in every four calls and texts we receive on our 24/7 Crisis Line is from a youth who identifies as LGBTQ+.

#### **We invite you to be a sponsor on this special evening.**

All net proceeds from the evening will go to the Kicked Out Fund which subsidizes our LGBTQ+ support group, PrideZone, and our 24/7 Crisis Line. With your help, we can continue to provide support and services young people need to lead safe, productive lives.

"It happens in every community.  
Queer teen homelessness occurs across lines of race, class, religion,  
ability, ethnicity, nationality and geographical region."
